

HE101N – HDMI Extender Over Ethernet

Features

- Convert HDMI signal to standard TCP/IP and transmit by direct CAT5e cable or through standard TCP/IP network switch
- Support 720p & 1080p HDMI signal
- 1 to 1 / 1 to Multi
- Extend & Distribute HDMI signal
- Plug and Play
- 5VDC (Adapter Inc.)
- LED Indication

Connection Diagram

Specification

- Lightning Protection : 4KV
- Operating Environment : -10°~60°C / 0~95% Humidity
- Aluminum Casing with Black Epoxy Powder Coating
- MTBF : 50000 Hrs.
- Size : 58(W) x110(D) x26(H) mm
- Weight : 239g
