

# IP CCTV Cabling Solution

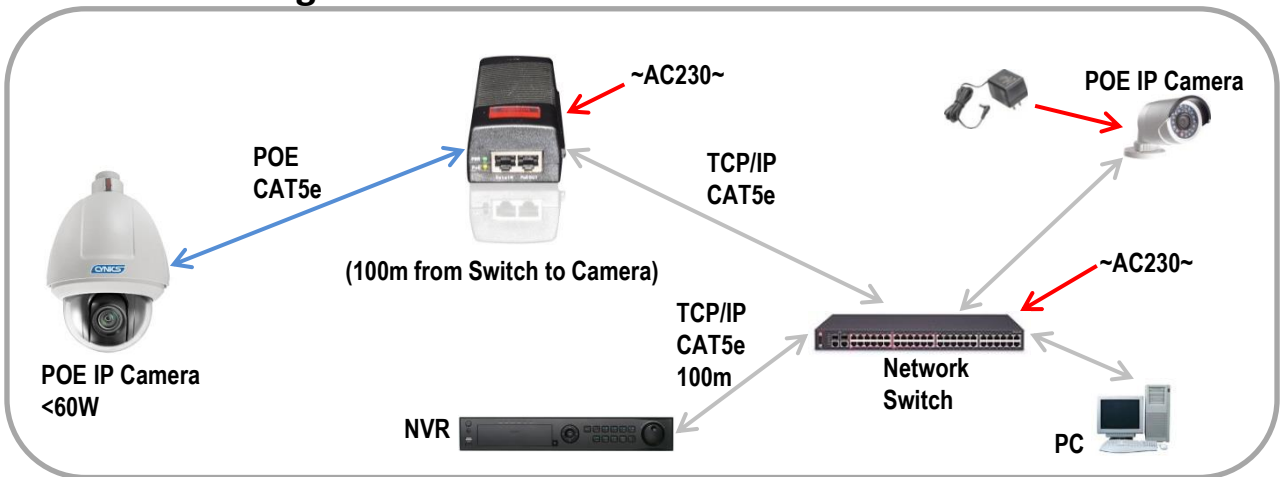

## POE-60 – POE Injector, 60W

### Features

- Inject POE to IP cameras
- Compatible with 802.3af POE Standard, 48VDC, <15.4W
- 230VAC Input
- Support 10/100/1000 Base-T
- LED Indication
- Plug and Play
- Surge, ESD & Interference Protection

Board

No.	Board	Description
1	/	AC100V~240V Power Port
2	PWR	Power LED, On power input
3	PoE	PoE LED, On PoE signal output
4	Date IN	Ethernet Input Port
5	PoE OUT	PoE Signal Output Port

### Specification

- AC110 ~ 240 input
- Green LED : Power
- Yellow LED : LED
- Operating Temperature : 0°~55°C
- Operating Humidity : 0~90%
- ABS Casing
- 30000 MTBF
- Surge Protection : 1KV
- 62(W) x120(D) x39(H) mm
- Weight : 200g
