

4" Solar Submersible DC Pump

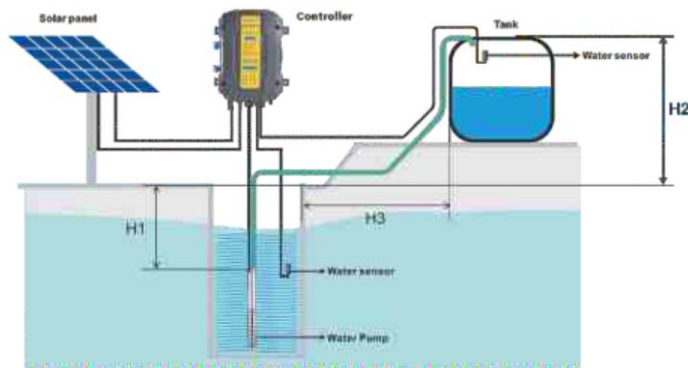

Powered by **CYNICS**

Features

- Full 304 Stainless Steel inc. impeller
- Permanent Magnet DC Brushless Motor
- Motor : Brass Cap + SS Body
- 250 ~ 900W
- Flow : 3 ~ 5.5m³ / Hour
- Max. Head : 25 ~ 90m
- Industrial Weatherproof MPPT Controller
- Fully Power by Solar
- 0 running & low maintenance cost
- High Lift, Small Flow, Suitable for small farms

Application

$$(H1 + H2 + H3*0.1) < \text{Max. Head}$$
